Metal Frame Bed

Available in Twin, Full, Queen and King sizes
(with & without headboard)

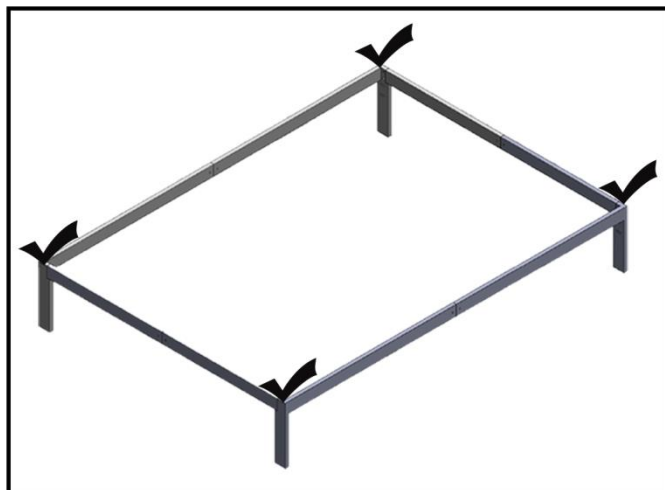

Step 1 & 2 (Connecting Side Rails with clamp bars)

x2

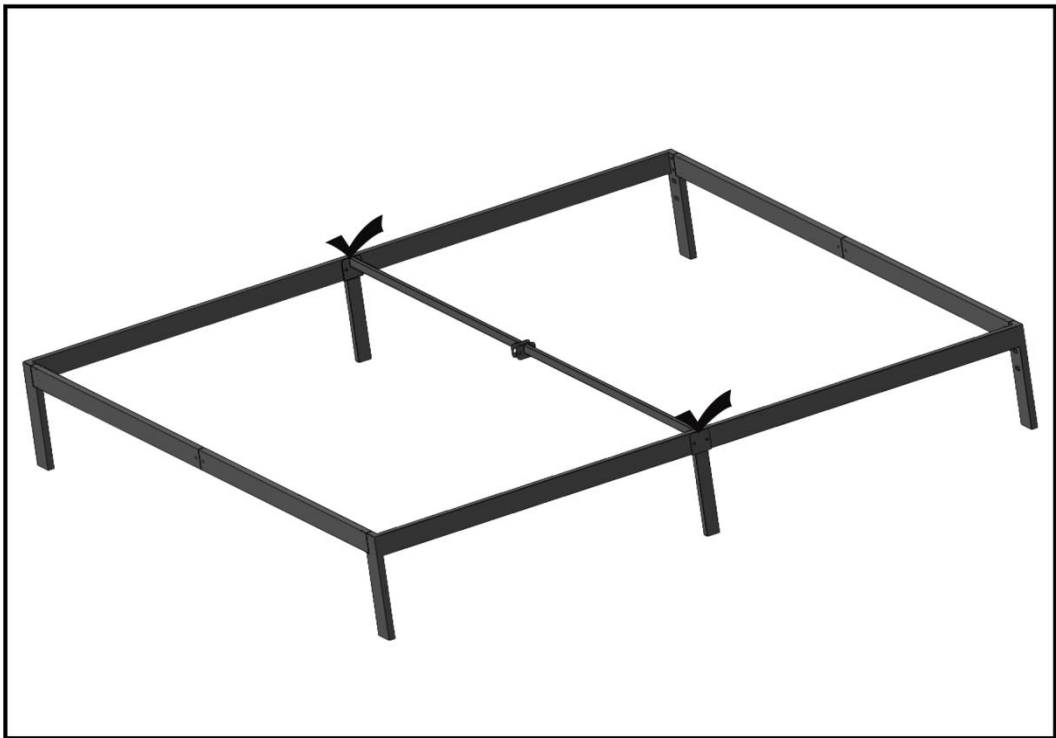

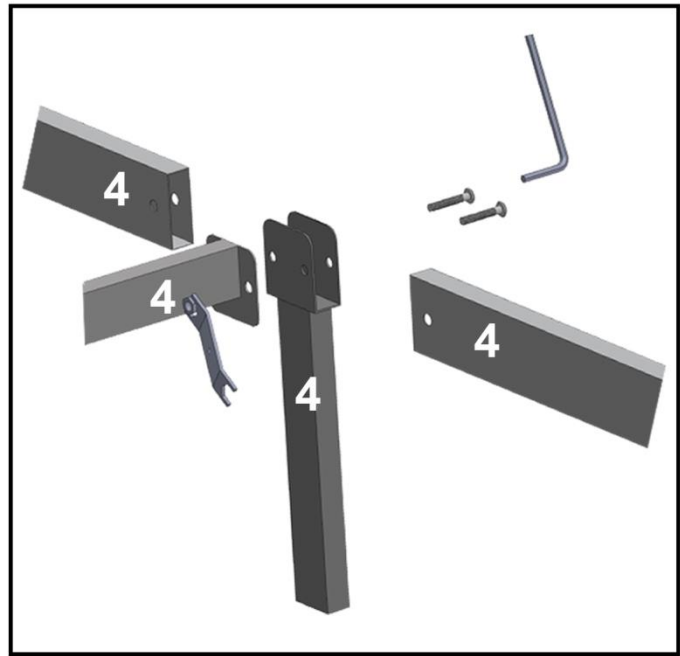

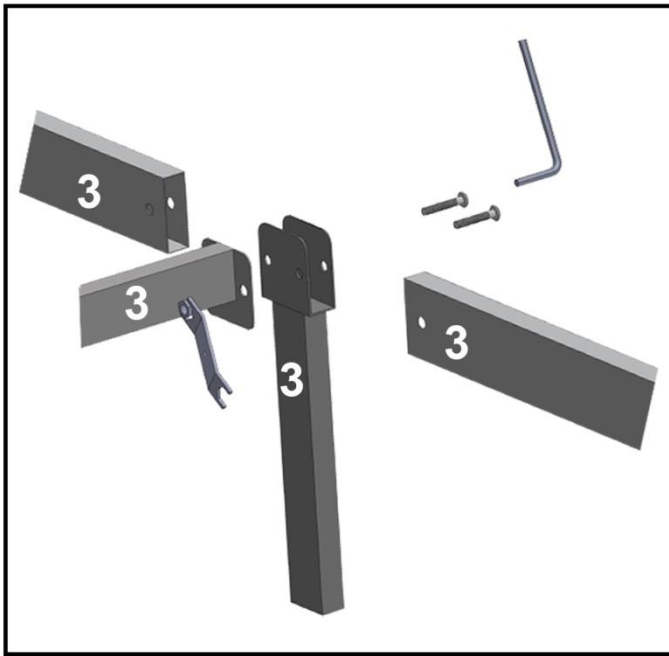

x2

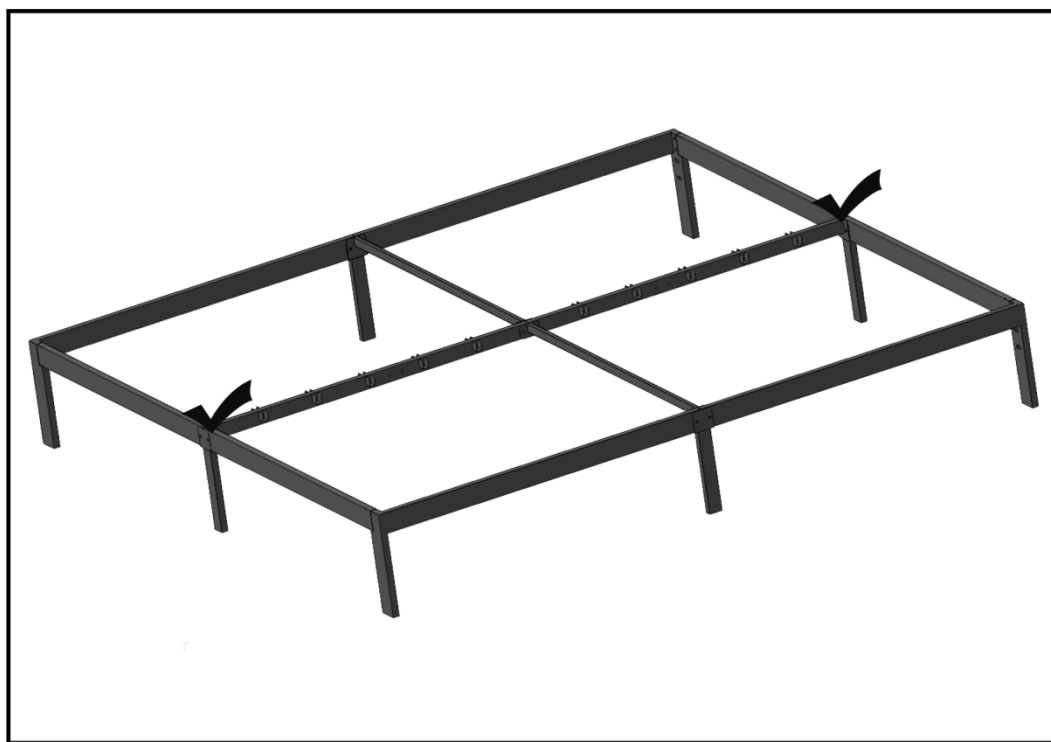

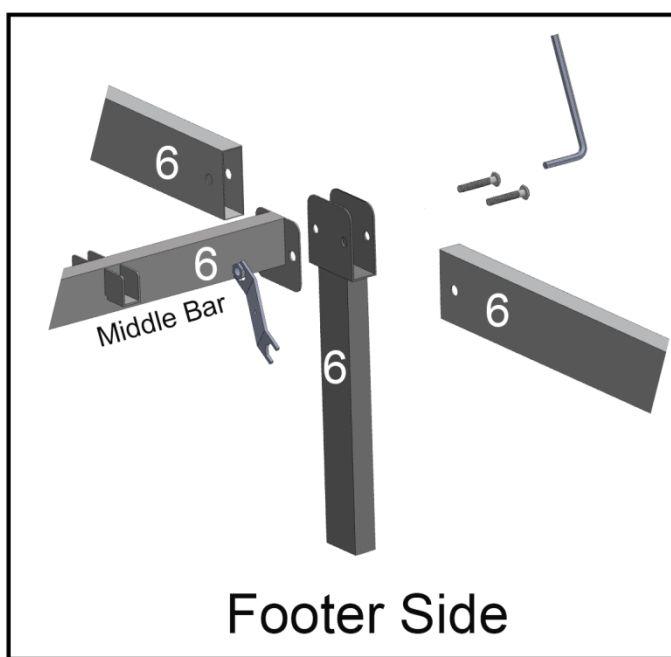

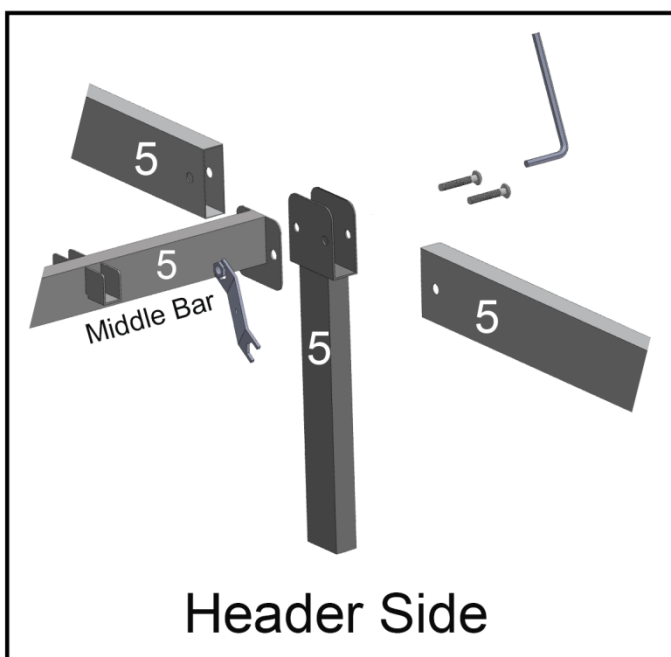

1. To connect side rails with clamp bars you need to match number stickers 1-1 (Header Side) and 2-2 (Footer Side).
2. Please use small screws (S) to connect all four corners of your bed frame.
3. Use allen key clock wise to tighten these screws.

Step 3 & 4 (Connecting Side Rails, middle leg & middle slat)

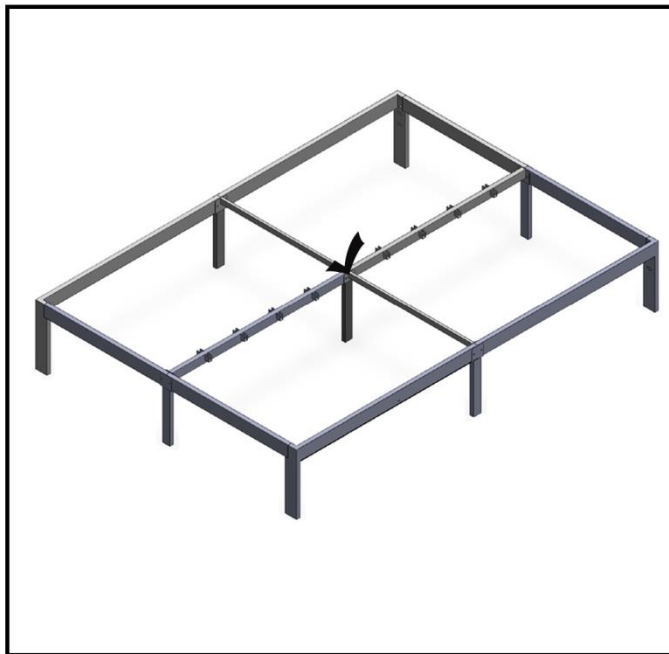

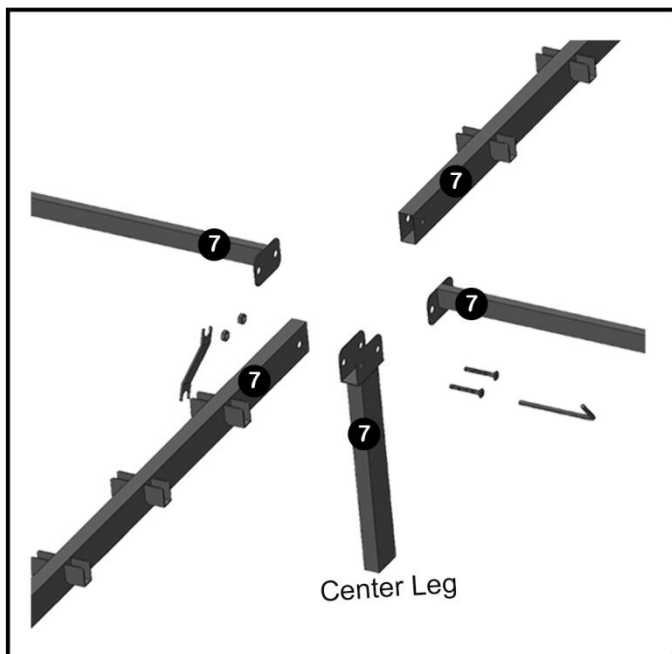

1. To connect side rails, middle leg & middle slats you need to match number stickers 3-3 & 4-4.
2. Please use large screw (L) along with nuts to connect all four parts.
3. Use allen key clock wise to tighten these screws and use spanner to hold the nuts.

Step 5 & 6 (Connecting middle bar with header-footer & middle leg)

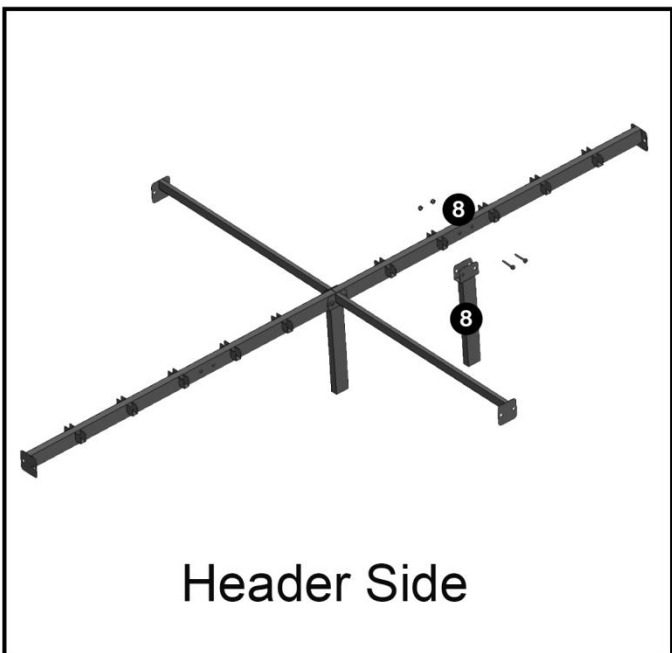

1. To connect middle bar with header-footer & middle legs you need to match number sticker 5-5 (Header Side) 6-6 (Footer Side).
2. Please use large screw (L) along with nuts to connect all four parts.
3. Use allen key clock wise to tighten these screws and use spanner to hold the nuts.

Step 7 (Connecting middle bars, middle slats, & center leg)

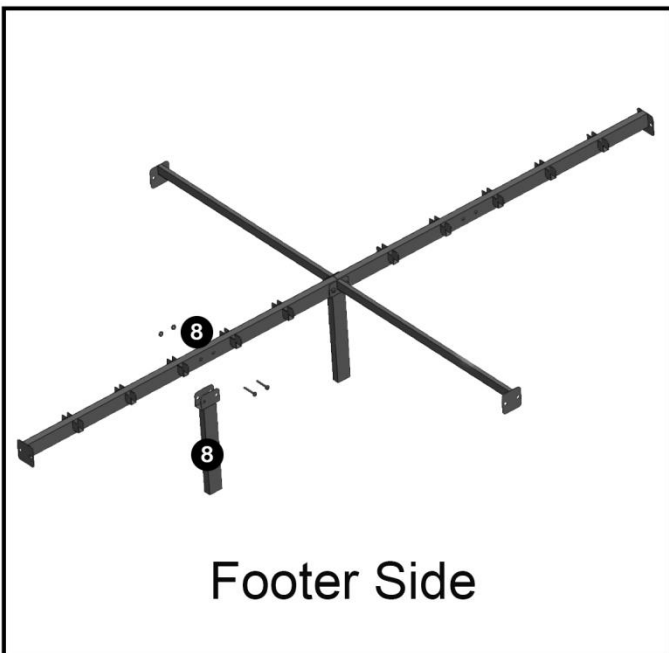

1. To connect middle bars, middle slats & center leg you need to match number stickers 7-7.
2. Please use large screw (L) along with nuts to connect all five parts.
3. Use allen key clock wise to tighten these screws and use spanner to hold the nuts.

Step 8 (Connecting Center legs with middle bar)

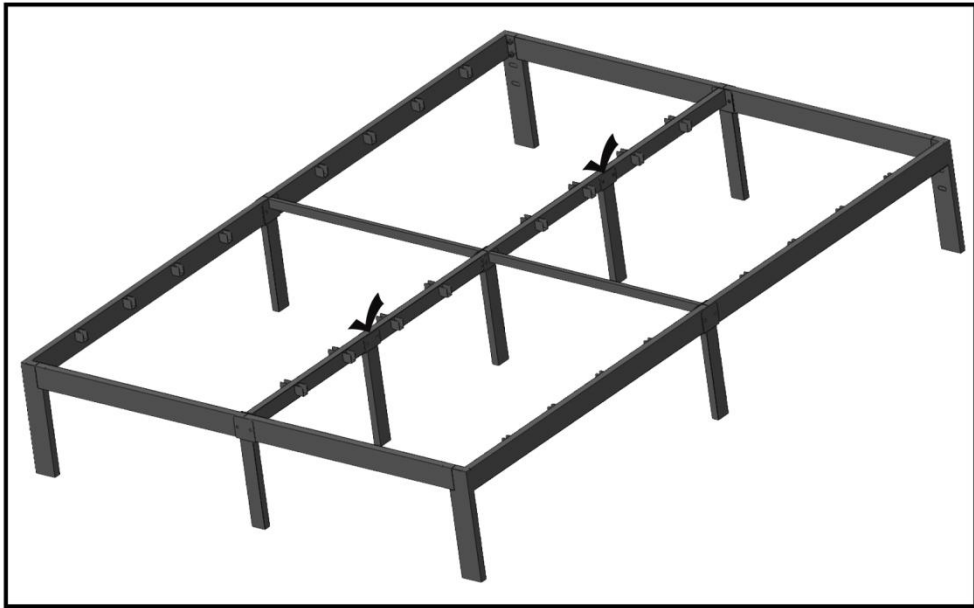

Header Side

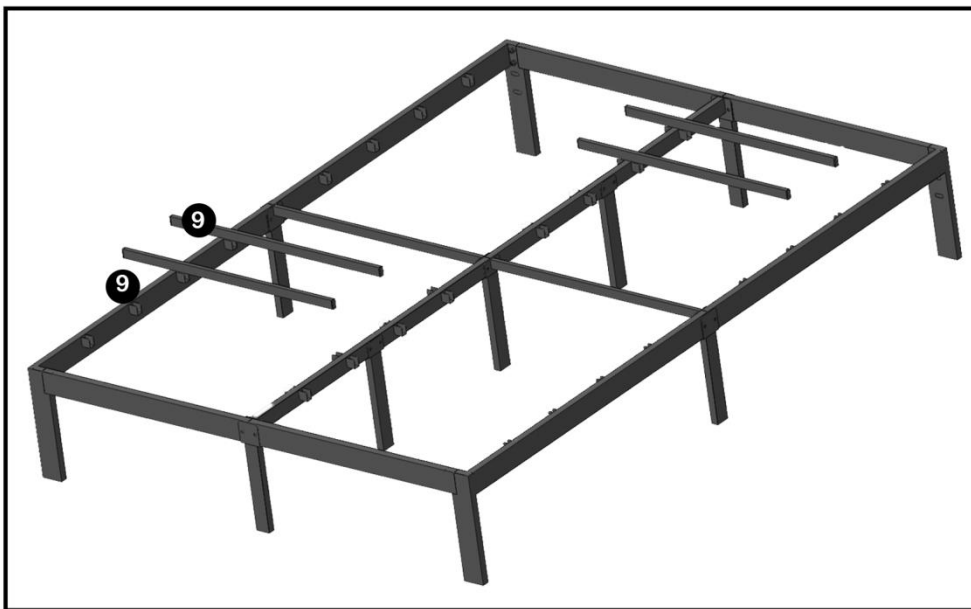

Footer Side

1. To connect center legs with middle bar you need to match number sticker 8-8 both header & footer side.

2. Please use large screw (L) along with nuts to connect center leg with middle bar.
3. Use allen key clock wise to tighten these screws and use spanner to hold the nuts.

Step 9 (Placing slats on your bed frame)

1. Place remaining slats on the brackets given on side rails matching the number stickers 9-9.
2. Peel off the upper strip of anti-skid tape and place your mattress.
3. Your bed frame is now ready for a good night sleep.
